

sprint. version 2012 - our best version yet!

With more than 500,000 units sold since 1998, the **sprint.** continues to be the most multi-functional and reliable bannerstand on the market.

Discover the 3 improvements that make a world of difference !

1

1 - New alignment bracket

and newly redesigned pole head securely connects hanger to pole, keeping your graphic in place.

Choose between clipping and adhesive hanger.

2 - Adjustable ring.

New shape of adjustable ring streamlines graphic attachment.

3 - Anti-scratch.

Feet lock onto the pole.
