^

**Overview** If you like the ability to change your graphics from show-to-show, day-to-day, or hour-to-hour, then the Quickscreen 3 is the optimal choice! The graphic cassette stores in the base of the unit and can be easily removed and replaced with a different cassette containing a different graphic on-site in just a matter of seconds. The unit ships standard with clear accent kits. Enhance your graphic by adding colored accents to your base. Red, Blue and Green are available. The Superior adjustable telescopic mast makes set-up easy and allows for variable height displays. Unit and pole both store in the black padded bag included. Approximately .5" of graphic is hidden at top inside of hanger bar.
